

Spring of Solidarity – Empty Bowl Dinner!

Our congregation has joined the Spring of Solidarity, a season of multi-faith action on global health and poverty!

The final event for the Spring of Solidarity is an Empty Bowl Dinner, on **Wednesday June 6th, at 6:30 p.m.**, at the New York Society for Ethical Culture (Central Park West at 64th Street).

The event will bring together community members from all participating congregations over food and live music to celebrate the impact of our collective work this spring. The meal will be traditional Sikh *langar*, served in a beautiful bowl that guests can choose and keep. The bowl goes home as an unspoken reminder of empty bowls around the world and that we can do something about it!

We hope you will represent our community at this fantastic event.
