

Astoria, Then and Now

An Evening of Thanksgiving Through Storytelling, Film, and Photography

- ~ Honoring the many roads to the Astoria community table.
- ~ Celebrating Astoria's resulting abundant diversity.

Community leaders will share their own stories of building a new home in Astoria, establishing roots in Astoria, and making connections in a new neighborhood.

Let your voice be heard!

Everyone present will be invited to share their stories and create bridges with one another – no matter their backgrounds, or time in Astoria.
