JEWES, CHRISTIANS AND MUSLIMS:

# Challenging Extremism Today

Join a crucial discussion on the recent extremism and prejudice that has resulted from the Israeli/Gaza conflict, ISIS in Syria and Iraq, extermination of minorities and Christians in Syria and Pakistan. This is an open group discussion for students and community members facilitated by qualified religious leaders and scholars.

Come and learn what Antisemitism, islamophobia, Zionism and Islamists means. How can we build bridges and understanding between the Abrahamic Faiths at a time of conflict and turmoil in the world? What is our role as Americans in these conflicts and faith building coalitions?
